ATHENA

AT HER FINEST

In Memorium

Marie Kennedy
October 7, 1976

She was a lady with plenty of class,
Whom everyone thought would always last.

She taught us very, very well,
Mrs. Kennedy was really swell.

We all will miss her in our hearts,
But we will never be apart.

Mrs. Kennedy will travel with us,
through thick and thin and
rain and dust.

So we will bow our head and pray,
for Mrs. Kennedy on this day.

She traveled all ways, west and
east,

May Mrs. Kennedy Rest in Peace.

GRADUATES 1977

During the many activities of our recent Bi-centennial celebration, we all became more aware of the changes which have taken place over the years. This is probably the only sure thing — that change will occur.

As you begin a new phase of life, think of the changes in you during the last few years. You are a different person, socially, mentally, physically and emotionally. The next few years will bring even more changes.

Now that you are graduates, may I offer this bit of advice don't be afraid of change — new days bring new friends, jobs, places, and events. And just as important — learn to judge which things are worth holding onto.

I think the most successful people in life are those who have learned to balance the amount of changes made with the things they hold onto from yesterday.

Dear Graduates:

My warmest congratulations and best wishes to all of you for happiness and success in all that you endeavor.

I hope that as you look back on the years spent in high school you will always remember them with love and pride in the friends that you made and in the work that you have accomplished.

We have provided you with skills that we feel are necessary to help you achieve the success that you are seeking. The road ahead is wide open. Go down the road that you have chosen for yourself with confidence that you will always do well.

PEACE AND QUIET

AT LAST

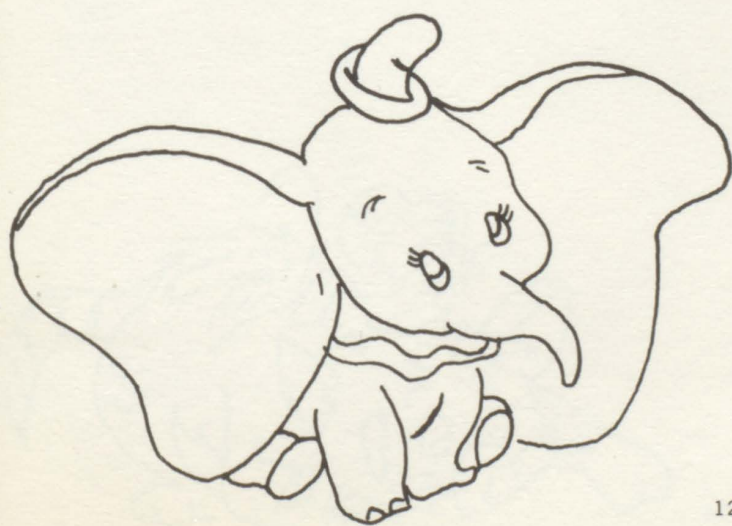

Elaine Mango — Co-Editor, Mr. R. Jaffe — Yearbook Advisor, Cathy Petratos — Co-Editor

TO MY COLLEAGUES

I'd like to take this opportunity to thank you for your cooperation and good will in helping my staff and me in putting this yearbook together. I would also like to take the time to say 'thank you' to my staff. This is the completion of my first year at Girls Vo. and the kindness and consideration shown by the girls on the Athena Staff have made this a memorable year. Once again I say 'Thank You One and All'.
